Diagram illustrating the addition of two fractions:

1. A finger points to the first fraction: $\frac{1}{2}$ (represented by a box with a gear icon).

2. The second fraction is added: $+$ $\frac{1}{2}$ (represented by a box with a moon and star icon).

3. The result is shown: $\frac{1}{2} + \frac{1}{2} = 1$ (represented by a box with a full moon icon).
